

Health declaration

A health declaration should be signed at the beginning of F1 and F2 by all doctors on a recognised foundation training programme.

NOTE: this declaration is in addition to the Declaration of Fitness to Practice, which is required by the GMC when you apply for registration.

28. If you know or suspect that you have a serious condition that you could pass on to patients, or if your judgement or performance could be affected by a condition or its treatment, you must consult a suitably qualified colleague. You must follow their advice about any changes to your practice they consider necessary. You must not rely on your own assessment of the risk to patients.

29. You should be immunised against common serious communicable diseases (unless otherwise contraindicated).

30. You should be registered with a general practitioner outside your family.

I accept the professional obligations placed upon me in paragraphs 28 – 30 of [Good Medical Practice \(2013\)](#).
