Accessing placements

1. Click on the “Admin menu” in the top menu bar and select “Foundation Doctors”:

2. The location(s) being searched are shown at the top of the screen in bold blue writing – you can amend this at any time.

-vous can filter the list by F1/F2/All and by rotation (ie training year / cohort).

-you can also search for a specific foundation doctor (FD) by starting to type their name in the search box just above the list.

3. Click on “Manage” in the ‘Rotations’ column.
Managing placements

4. You will see a list of the FD’s rotations (ie F1 training period and/or F2 training period) and the placements within these rotations.

Note on start and end dates
- Start and end dates of rotations and placements cannot overlap.
- Placement start and end dates must be within the start and end dates of the rotation to which they belong.

5. Click “configure new F1 rotation” or “configure new F2 rotation” to add brand new rotations, bearing in mind the rule around start and end dates. If rotations are already set up, click “Modify rotation” next to the relevant rotation to make changes.
