Summary

- Horus ePortfolio being used by the majority of foundation doctors (FDs) in England, as of 2 August 2017 (FP2017)
- [Horus Support Site](#) being updated almost daily with [FAQs](#) and [general updates](#)
- Features essential for start of FP2017 were released on 24 July 2017 – start/mid/end of placement meeting forms, PDPs, reflections, forms to allow uploading external documents
- Further features released during the first two weeks of August – signing of declarations (health, probity, conditions of joining a training programme), non-trainee grade (NTG) rotation creation
- *A number of features not essential for the start of FP2017 are still under development and will be released over the next 2 months*
- Plan for ‘out of synch’ FDs remaining on NES ePortfolio enacted – 301 FP2017 FDs on NES eP
- NES ePortfolio access was removed for the majority of HEE foundation users on 5 August 2017
- HEE FP e-portfolio archive system (“the Archive”) undergoing UAT and will be released shortly

Horus access

- More than 75% of FP2017 FDs have now activated their Horus account
- Majority of administrators and many educational/clinical supervisors for the first placement have accessed their Horus account
- A number of users trying unsuccessfully to log in to the FP2016 version of Horus – the correct login page for the FP2017 HEE Horus is <https://horus.hee.nhs.uk>.

HEE FP e-portfolio archive

- Information available on [Horus support site](#). Not ready for release yet – timeline has slipped due to increase in queries and issues to resolve following release of live HEE Horus.
- Doctors requiring access to archived documents urgently have been provided with these
- First release (late August 2017) will be snapshot from 5 May 2017
- Second release (early September 2017) will be snapshot from 5 August 2017

Horus team

- Horus project team resources continue to be stretched – we are focussing on top priorities only

Plans for August-December 2017

- Release outstanding features (SLEs, curriculum mapping, e-LfH linking, ARCP, NETS, portfolio download, enhanced reporting). See list on [Horus support site](#).
- Release the Archive
- Respond to initial user feedback
- Run activity-targeted webinars (e.g. TAB, PSG feedback, curriculum mapping)
- Run user feedback survey
