

Probity declaration

A probity declaration should be signed at the beginning of F1 and F2 by all doctors on a recognised foundation training programme.

NOTE: this declaration is in addition to the Declaration of Fitness to Practice, which is required by the GMC when you apply for registration.

Good Medical Practice: Trust and professionalism

- Acting with honesty and integrity (para 81-84) and Acting with honesty and integrity in research (para 85)
- Maintaining professional boundaries (para 86-87)
- Communicating as a medical professional (para 88-93)
- Managing conflicts of interest (para 94-97)
- Cooperating with legal and regulatory requirements (para 98-101)

I accept the professional obligations placed upon me in paragraphs 81-101 of [Good Medical Practice](https://www.gmc-uk.org/professional-standards/the-professional-standards/good-medical-practice/domain-4-trust-and-professionalism).
