Placement Supervision Group - Information and responsibilities

By completing this form members of the Placement Supervision Group are taking responsibility for describing accurately the foundation doctor's performance in the workplace. This should highlight any areas of excellence, good practice, development or concern. The information will be used to help the Clinical Supervisor support the doctor and will also feed into the Clinical Supervisor's End of Placement Report.

NOTE: The PSG summary can be released at the discretion of the supervisor, with no minimum number of responses needed. Although your name will not be attributed directly to your comments (to the foundation doctor), **note that this means your responses will not necessarily be anonymous.**
